Subject: MySuccess Notification: Improved Performance in COURSE NAME

Dear STUDENT,

Great Job! Keep up the good work!

We are pleased to have received notification through MySuccess of your improved performance in COURSE NAME.

Your instructor shared the following information regarding your progress: INSTRUCTOR COMMENTS.

Below are resources we encourage you to use as you strive for continued success in your coursework:

- **Meet with your instructor** to learn more ways you can improve your performance. Contact information (office hours, email, etc.) is posted on the course syllabus and the Blackboard course site.
- **Schedule an appointment with your assigned academic advisor.** Contact information for your academic advisor is located in your MySuccess Network accessible through your MySuccess home page.
- **Advocate for yourself and seek assistance** through the Academic Achievement and Access Center (AAAC) or through departmental tutoring, if available. The AAAC can help you locate course-specific assistance. Contact the AAAC at achieve@ku.edu or at (785) 864-7733.

Additional campus resources can be found in your **Success Network**.
